PRICE HILL PRIDE!

Your support of the Price Hill Pacer will benefit two separate, yet equally important, community-based programs. Santa Maria Community Services and Price Hill Will have made many strides to better Price Hill and the surrounding communities. All proceeds from the Price Hill Pacer will be donated to these organizations so that they can continue to make our community stronger.

Santa Maria helps Greater Price Hill residents improve their health, housing and family life by:

- Helping families maintain decent, safe affordable housing
- Helping families and individuals lead healthy lives
- Helping prepare children to enter and succeed in school
- Helping seniors and disabled remain safely independent

Whether they are teaching young parents how to help their newborn children thrive, connecting Hispanic workers to medical care, assisting older adults with access to affordable medications or supporting the work of neighborhood residents to build a stronger community, Santa Maria's goal is the same as it was 110+ years ago: to help families help themselves.

Price Hill Will is a comprehensive community development corporation serving Price Hill. Working under an asset-based revitalization strategy, Price Hill Will engages the expertise and strength that already exists in the community. Instead of focusing on what is missing from the neighborhood, volunteers and staff are tapping into what does exist, what works well, and what the community would like to see more of.

Price Hill Will has three main programs:

- Physical Revitalization
- Community Engagement
- Economic Development
